

From the Desk of Executive Editor

To the Members of Research Community,

Innovations – 2008, the DSI Doctoral Symposium – 2008 was organized by the Research and Industry Incubation Center on 18th December 2008 on the occasion of the release of first issue of international journal “Journal of Research and Industry”.

I would like to thank Dr. T.R. Gopalakrishnan Nair, Director Research and Industry Incubation Center and Prof. R. Selvarani Head, Advance Software Engineering, for their encouragement, support and guidance in publishing this book “Proceedings of Symposium on Multidisciplinary Research – 2008”.

This symposium aptly focused on to provide a platform to discuss and understand the advances in science and technology in various domains like Nanotechnology, Software Engineering, Information Technology, Proteomics, Life Sciences, Biotechnology, etc.

Keynote address was delivered by experts from academia and industry. Here the participants had the opportunity to present their research work to International audience from multidisciplinary areas. We received around 45 research papers of which 11 selected papers are published in this book of Proceedings.

I would like to acknowledge the support from the technical program committee and the reviewers who gave their valuable time in providing critical reviews.

Thanking you,

Sincerely yours,

Mrs. M. Vaidehi M.E.,
Executive Editor
