

DAYANANDA SAGAR INSTITUTIONS

The Dayananda Sagar Centre for English and Foreign Languages

Globalisation of the economy has given a new dimension to India. Throwing up challenges. Not seen earlier.

To respond effectively and take full advantage of new developments, an army of well-trained human resource is needed.

People with multiple skills

- good communication
- great in listening
- interpretation
- mastery in more than one language
- competence spread over several subjects

The levels of quality: Global.

And the Rewards: Plenty.

The Centre for English and Foreign Languages is DSI's response to train the younger generation in areas outside the university curriculum. Making education wholesome.

Programs on offer:

English to all students coming from non English speaking regions.

Preparing students to gain complete mastery in any one or more foreign languages, as part of their formal study in various professional programs.

Foreign Languages on offer at the DSI Language Lab include:

French, Spanish, German, Italian, Portuguese, Japanese, Arabic, Chinese Mandarin & Korean.

Who will benefit:

- Students preparing for a global career.
- Working executives.
- Staff working in front office and other levels in large organisations.
- Individuals looking at career advancement.
- Healthcare professionals seeking employment overseas.
- Farmers seeking migration to the West.
- Teachers looking at employment outside the country.
- Employees of Call Centers/BPOs.
- Homemakers.

The Language Lab:

The infrastructure includes a state-of-the-art language lab and multi media enabled facility of global quality. Aply supported by experts with strong academic and industry background with hands-on training / teaching experience.

For more information on the programs, individuals and groups are invited to contact the program Coordinator at:
