

DAYANANDA SAGAR COLLEGE OF ENGINEERING

IBM Centre of Excellence & IBM Entrepreneur & Incubation Centre

With the aim of providing world class skill to the students on IBM technologies, The Department of Information Science & Engineering of Dayanada Sagar College of Engineering is very proud to have signed an MoU with IBM on 12th Aug 2009. As part of which Dayananda Sagar Institutions have established a sophisticated state-of-the-art Centre of Excellence in the Department of Information Science & Engineering, which was voted "The Best IBM CoE" in the year 2010.

The Centre will provide an opportunity for the students to learn the latest IBM technologies and products. The Department run several programs like,

- ▲ Training and Certification Programs for Students
- ▲ Faculty Development Programs
- ▲ The Great Mind Challenge contest projectsin the CoE.

Each of these training sessions will be followed by Certification exams. As of now, we have conducted over 10 training and certification programs of IBM technologies like DB2, RAD, LOTUS and more to follow. More than 50 students and faculties have got certified. We have submitted more than 20 projects for TGMC contest.

IBM Entrepreneur & Incubation Centre was inaugurated on 9th Dec'2010 which is helping all the budding Entrepreneurs to realize their dreams of starting their own company.

The Department is one step ahead in bridging the industry institution gap and making the students industry ready.
